## Annual Election of Marshland's 2020 Board of Directors

All credit unions are governed by a Board of Directors which is elected by and from the credit union's membership. Board members serve voluntarily and face many responsibilities which require a general understanding of credit union operations, leadership and the credit union movement. Board members receive no compensation other than the satisfaction of contributing to the credit union's leadership.

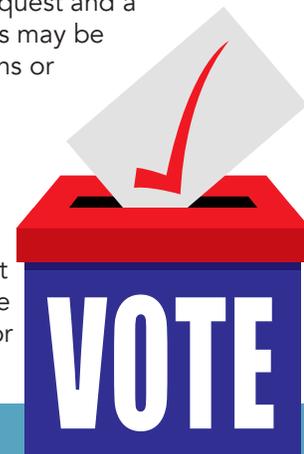

At Marshland Credit Union, the Board is elected each year by the membership at the Annual Meeting. We are pleased to open nominations for the 2020 elections. Candidates who wish to serve on the Board beginning in 2020 must meet the following qualifications:

- **Nominees must be a member in good standing at Marshland Credit Union.**
- **Nominees must be available to attend board and committee meetings.**
- **Nominees must be willing to serve a three-year term.**

Candidates may be nominated by submitting a letter of request and a resume with qualifications to the credit union. Submissions may be dropped off at any of the six Marshland CU branch locations or mailed to:

**Nominating Committee**  
c/o Marshland Credit Union  
P.O. Box 1957 | Brunswick, GA 31521-1957

All elections will be determined by plurality vote to be held at the Annual Meeting in March 2020, except where there is one nomination for each vacancy. The deadline for submissions for the 2019 nominations is **Monday, December 2, 2019**.

## International Credit Union Day

On **October 17, 2019**, Marshland Credit Union will join with 56,000 credit unions around the world in celebration of **International Credit Union (ICU) Day®**.

There are 200+ million credit union members around the world—more than 100 million in the U.S. alone—and Marshland Credit Union joins them in celebration of the not-for-profit cooperative spirit that all credit unions share.

This cooperative spirit has led to life changing opportunities for people all over the world who've wanted to start a small business, own a home or continue their education but were denied access to other financial institutions. In many parts of the world, people's first taste of democracy is through their credit union, where "one member, one vote" is the governing structure.

At its most basic level, a credit union is people pooling their money to provide each other with affordable loans. It is literally, people helping people. This is why Marshland Credit Union celebrates ICU Day. Credit unions empower people, wherever they are in the world, or in life, to take control of their financial future.

*The public is invited to stop by any of our branches on October 17th to celebrate with Marshland Credit Union a movement that concerns itself with the financial success of all people.*

## October is Breast Cancer Awareness Month

Each year, in honor of Breast Cancer Awareness Month, the Southeast Georgia Health System Foundation hosts an annual ARTrageous Bras fundraiser! Bras, decorated by members of the communities we serve and our Health System Team Members, are displayed on the Brunswick and Camden campuses.

Marshland has a long history of participation in this fun, artistic event. This year's entry titled, "Tackle Cancer", was decorated in a Georgia Bulldog theme, created by the Gateway Branch in Brunswick. Special thanks to the employees who created the design and members who donated and voted for our entry.

Marshland is participating in other events to support Breast Cancer and fund-raising for the cause throughout our region. We are once again a corporate sponsor of "Lunch Laugh and Learn." The event, sponsored by the Effingham County Health System Foundation, raises awareness and funds for early detection of breast cancer for people of all ages.
